The Process

Classroom

Classes will be hosted with a Certified Drivers Ed Instructor. The class will run for 1 week and have an online final. Students will have a 30 minute lunch break and are encouraged to bring food.

- Students are allowed **1 absence**, but are required to make it up.
- A student who misses 2 or more class days will be transferred to the next class.

DPS Appointment

Requires: Passing the Permit Test. Students will be supplied with the list of documents necessary for the DPS.

Appointment vs Walk-in: DPS offers appointments and limited same-day appointments.

DPS locations in Dallas-Fort Worth typically have availability 2-3 months in the future. Appointments can be scheduled at any DPS in Texas.

To schedule:

- Go to **Public.TxDPSscheduler.com**
- Select the service "**Apply First Time DL/Permit**"
- If this option is not available, Select "Service not listed or my license is not eligible" & select "No" for scheduling a Road Test. Students will not be eligible for the test at this time.

Scheduling Tips & Tricks: PLANNING AHEAD IS THE BEST STRATEGY

- Every location has different availability, so checking across different areas can yield sooner appointments. Students can go to ANY location in Texas.
- Recommended areas with sooner appointments include: Stephenville, Madisonville, Tolar, College Station & Houston.
- DPS locations in the DFW area are typically booked out 2-3 months.
- Some DPS locations are releasing same-day appointments on the scheduling website when they open in the morning. These appointments are limited and are taken quickly.

Driving

Requires: Learner Permit present for every lesson

- Includes 7 hours of driving & 7 hours of observation.

Students will book their appointments through their driving school account.

Students can book 2 appointments at a time.

Cancellations & Rescheduling Policy: Appointments cancelled within 24-hours or if a student is absent, their account will incur a \$35 Fee. Appointments can be cancellations through the driving school account.

30 Hour Log: Students must complete 30 hours of practice with a licensed adult in addition to the 14-hours completed with the school. This log is available for download on Rules & Resources.

Contract Length: 1 Year

If a student does not finish within their contract timeline, they may extend their contract. Extension Fees will apply. Students who do not complete their teen drivers ed program will not be able to get a TX License.
